Optional Sessions

YOUNG MEN - "True Strength - A practical guide to Christian strength". The session will use activities, challenges & story-telling to help young men understand virtues that are sometimes misunderstood such as meekness, patience, love & humility. James Holbeck will present this session tailored specifically for teenagers. If you are a youth leader and would like to attend, please contact Scott Wright prior to the conference (see contacts on back panel).

Fatherhood - Allan Every will present a talk on Fatherhood from a Christian perspective. As a previous Men@Glen speaker and father of three boys (now men) Allan will share lessons learned from a life of mentoring his sons. Al's talk are always very real and confronting;

Meaningful Mateship - John Westendorp will present a workshop on what it means for men to minister to each other. This session grew out of a conversation about why as men we attend conferences and yet often remain unchanged. How then can we encourage each other when we are back at home in the trenches?

James Holbeck

Former Wallaby
Speaker, writer, mentor & coach.

James or Jimmy is a former 8 year professional rugby union player who represented the Australian Wallabies after having grown up in Armidale, NSW. In rugby he played against the All Blacks, England, South Africa and the British & Irish Lions in front of crowds over 90,000 people before having a horrendous injury run of 6 years without finishing a professional game. James found himself leaving the game a bitter man who had to live with a dream that would never be fulfilled in the way he wanted. After searching for peace in sport, alcohol, relationships and then academia he ultimately found peace back in church, the last place he was ever going to look. Today Jimmy speaks in schools on character, resilience, relationships and hope but in his talks also bring his experiences as a labourer, TV presenter, lecturer, Kids HelpLine counsellor, check-out-chick and as a personal development advisor for professional rugby players. His talks are honest and real.

Young Mens Program 2018

Presented by former Wallaby James Holbeck

Topic:

A Practical Guide to Christian Strength

The session will use activities, challenges & story-telling to help young men understand virtues that are sometimes misunderstood such as meekness, patience, love & humility,

2 Peter 1:5-8

For this very reason, make every effort to supplement your faith with virtue, and virtue with knowledge, 6 and knowledge with self-control, and self-control with steadfastness, and steadfastness with godliness, 7 and godliness with brotherly affection, and brotherly affection with love. 8 For if these qualities (f) are yours and are increasing, they keep you from being ineffective or unfruitful in the knowledge of our Lord Jesus Christ.

100 FREE "under 18" tickets available for young blokes to come and spend Saturday afternoon with James Holbeck - see online registration for details.

A primary school teacher, Virginia spends the majority of her time caring for their three children, while also doing some theological study and working (very!) part-time at a school in Orange. She loves teaching Scripture at her local primary school, and in her spare time enjoys cooking, reading and spending time with her sewing machine.

Virginia and her family attend Orange Evangelical Church afternoon service, and over the last few years have also been attending a small local church in Millthorpe with the view of rejuvenating the congregation and seeing gospel work continue to grow in Millthorpe.
